## **Active Citizens Social Enterprise Training Workshop**

16 - 20 February 2020

Active Citizens is a social leadership training programme that promotes intercultural dialogue and community-led social development. Through the programme, we bring together people with different beliefs and perspectives to learn from and share with each other. Working with our partners around the globe, we train participants in the skills and knowledge needed to affect social change in their communities. Active Citizens connects thousands of like-minded people around the world who collectively want to make a fairer and more inclusive society.
