Professional Summary

Motivated educator with a passion for inclusive learning, educational technology, and youth development. As a current Lead For Ghana fellow teaching ICT in a Senior High School, I am committed to transforming education through equity, innovation, and evidence-based teaching. I seek a postgraduate degree in Education to deepen my pedagogical knowledge and enhance my impact in the classroom. I am deeply committed to continuing my work in the education sector after the program, where I can contribute to bridging educational gaps and shaping future-ready learners.

Experience

I.C.T Teacher - Lead For Ghana Fellow
Yeji Senior High Technical School, Bono East Region

October 2024 – Present

- Deliver engaging and practical ICT lessons to over 100 SHS students in Forms 1–2.
- Use interactive methods such as group projects, peer teaching, educational games, and real-world problem-solving tasks to enhance engagement and understanding.
- Monitor student progress, provide support, and maintain academic records.
- Apply inclusive teaching strategies to support students with learning differences, including dyslexia.
- Facilitate Values Learning Community (VLC) sessions in my school, teaching Ghanaian moral values such as integrity, respect, responsibility, and empathy to students as part of character education.
- Collaborate with fellow teachers and community leaders to promote holistic education.
