VISION STATEMENT
Become a *Center of Excellence* in Engineering, Science, and Technology Education and R&D, thus enhance the realization of science and technology-led national development.

MISSION STATEMENT
Offer high quality education, undertake advanced R&D programs, and deliver dependable community services in engineering, science, and technology.

GOAL STATEMENT
Produce highly qualified professionals in engineering, science, and technology who can invent and innovate, apply research, and build their own careers, thus contribute towards the development of Ethiopia and the transformation of Ethiopians to a self-reliant and vibrant society.

VALUE STATEMENT
MIT values innovation and creativity in response to development needs of the Ethiopian society.

To whom it may Concern

Re: Proof of Employment and Residence Verification

Dear Sir/Madam

This is to confirm that **Mr. Guesh Berhe Haweke** has been employed as an academic staff member at Mekelle University-Mekelle Institute of Technology since February 14, 2017. Mr. Guesh has been residing in Mekelle since he becomes an esteemed member of our faculty. He is still serving the Mekelle University community with a taxable salary of 11,634 Ethiopian birr.

Throughout his tenure at Mekelle University, Mr. Guesh Berhe has served with honor and dedication, consistently demonstrating a strong commitment to the institution and its mission. His contributions to the academic community are greatly valued, and he is an integral member of our team.

If you require any further information, please do not hesitate to contact me.

Sincerely

Dr. Kiros Hagos Abay

Dean of Mekelle Institute of Technology
